Itni shakti hume dena data

इतनी शक्ति हमें देना दाता,

Give us so much strength, O Lord,
that the faith in our hearts never wavers.
may we walk the path of goodness
and we don't make a mistake even accidentally.

Door agyaan ke hon andhere

may there be no ill will between people,
and there be no feeling of revenge.

PRESIDENT'S MESSAGE

Namashkar !!! Greetings !!!

Together, let us make this year one of clarity, commitment, and meaningful growth

I extend a heartfelt and warm welcome for the academic year 2026-2027

In a world that is evolving rapidly, clarity and alignment become more important than ever.

Today, the role of a school is not only to pursue academic excellence but also to motivate and empower its students to be lifelong learners, critical thinkers, and productive members of an ever-changing global society. As the economy of the future will demand different competencies and knowledge of a global workforce. Hence during the year 2025, we have also introduced Vedic Maths, AI and Robotics. This year 2026 as per CBSE norms we will be introducing CT (Computational Thinking) for Grade 3rd to 8th and NEET, IIT-JEE (optional) from Grade 8th onwards apart from continued Holistic classes.

All this is not possible without the constant support of parents and the trust they repose in our competent, highly qualified, experienced, and dedicated teachers. Let us all work in unison to achieve group goals and objectives and usher into an era of education that is forward looking and is participative.

An appeal to parents must Limit the access to gadgets, devices or social media, as you are the best teacher for your children at home.

The school will strives to exemplify principles and the essence of the true art of living and places before the children the image of man's potential.

We wish a 'Vidyaarthi' to imbibe Life Skills and Life Values to get ahead.

At Aaryans we will continue to do our best to make it a simple & lovable place for children to learn & grow.

"शिक्षा से बढ़कर कोई धन नहीं,
और संस्कार से बढ़कर कोई आभूषण नहीं।"

Shri Ramesh Bafna
President

PRINCIPAL'S MESSAGE

Dear Enlightened Parents

"Children are the future and the most valued treasure of a strong and prosperous nation."

We stand on the threshold of a new academic session. I extend a hearty and warm welcome to all my students, staff and parents. Each academic year is a challenge to achieve greater heights with new targets set for the future.

This Almanac is our shared compass. It brings together our academic structures, expectations, values, and routines - ensuring that every student, parent, and teacher moves forward with a common understanding and a shared sense of purpose.

We welcome your interest in all aspects of our educational programs. So please do not hesitate to call the school at any time if you have questions and /or concerns

The Aaryans Public school focuses on academic excellence, holistic growth, and character building. Emphasize the balance between academics, extracurricular activities, and value-based education.

As a Principal, I am honoured to lead a team of talented, committed educators who share a passion for teaching and learning.

We believe that every student has a potential to succeed and make a positive impact in the world be it in the area of academics, sports, leadership, entrepreneurship and more.

Our goal is to inspire and empower them to become confident, curious and compassionate individuals.

As I conclude I convey my best wishes to each one of you for a successful year ahead."

Please stay safe and healthy.

Mrs Sireesha Elizabeth
Principal

"THE ALMANAC"

It is very necessary that the students and parents read the Almanac together and understand the contents fully. This Almanac aims at establishing an invaluable link between teachers, students and parents. It is intended to serve:

1. As an' All-in-one' ready reckoner and planner for students, and communication between Parents and the School:
   - To keep parents abreast with what their children are studying at school and the curricular progress of their wards;
   - To keep parents informed with respect to home assignments;
   - To serve as a handy reference with regard to the student's schedule;
   - To be used for convenient, day-to-day correspondence (related to academics and conduct) between Parents and the School staff.
2. Students should ensure to bring the Almanac to School every day, use it productively and treat it with care. Parents should review current pages daily and must countersign and respond to any comments, which may be made periodically by members of the faculty.
3. Parents should also counter sign.
4. Home assignments to signify her/his completion and provide an explanation if home assignments are not completed for any valid reason.
5. As a matter of policy, students will get home tasks on subjects they are familiar with. These tasks are intended to revise exercises, reinforce what is learned by students in School and must be undertaken by students entirely on their own, without adult supervision. Students should seek the help of their teachers at School on the following day if they encounter any difficulties.
6. Comments made by parents in the Almanac should be productive and confined strictly to the subject of the student's work and her/his conduct. All other matters concerning the School should be dealt with separately or either conveyed personally or through separate letters addressed to the Principal.

KNOW YOUR SCHOOL

HISTORY

A Glimpse into Our School's Past

The School represents the culmination on assiduous efforts by visionaries Management members, who always cherished the dream of nurturing young minds in an inspiring and motivational atmosphere and producing charismatic, vibrant, dynamic and decisive leaders of tomorrow.

The educational enterprise began its journey in the year 2014, the trust was formed for the initiation of **dream project AARYANS.** The first academic session commenced on **1st June 2015 at Manjunath Nagar.** The School welcomed little toddlers as they joined the Kindergarten with the initial strength of **48 children.** As it was the beginning, the School offered classes till U.K.G with plans to expand further. Through various milestones and challenges, our school has remained dedicated to providing quality education and shaping young minds. **The year 2016 continued with strength of 122 students** with another branch at Ramkrishna Nagar. The school gains its recognition as excellent academic and overall development of children.

During the unprecedented times of the COVID-19 pandemic in 2020, when physical classrooms were inaccessible, our school rose to the challenge with resilience and innovation.

The virtual teaching, special emphasis was laid on the written reinforcement of concepts. Through regular written assignments, practice sheets for children to be connected with written skills.

To facilitate toddlers education **Aaryans** established **2nd Branch at Baillapannavar** for Kindergarten in year **2021,** sucessfully enriching the children with enhanced overall development..

Post-pandemic, the school marked a significant milestone **by shifting to main branch at GIRI Nagar in the year 2022,** a move that symbolized progress, renewal, and forward-thinking vision.

This transition was not just a change of location but a strategic step towards creating a more enriched learning environment.

Our school was affiliated with **CBSE board in the year 2023 from 1st to Grade 12th,** with approval of requirements of infrastructure and academics by the CBSE board. TEACH YOUR KIDS THESE 8 MANNERS BEFORE THEY TURN 10

1. Say "please" and "thank you" Respect opens more doors than talent.
2. Knock before entering – Privacy matters, even at home.
3. Look people in the eye when speaking – Confidence starts here.
4. Don't interrupt when others are talking – Listening is half of communication.
5. Cover your mouth when coughing or sneezing – Basic hygiene is basic respect.
6. Share and take turns – Life isn't all about them.
7. Apologize when wrong – Owning mistakes builds character.
8. Use kind words – How you speak matters as much as what you say.
